HISTORY RUN — ONE-PAGE FACT SHEET

HISTORY RUN • Educational Game for iPhone and iPad

Developer: **HistoryCentral**
Creator: **Marc Schulman**
Location: **New Rochelle, New York**
Release: **Available NOW on the Apple App Store**

Product Overview

HISTORY RUN is an educational "platformer" action runner that guides players through 17 eras of American history, combining fast-paced gameplay with historically accurate environments, events, and collectible artifacts. Players retrieve historical objects scattered across time and return them to a virtual museum, reinforcing learning through discovery and play.

Designed by a historian rather than a traditional game studio, **HISTORY RUN** emphasizes narrative context, visual immersion, and historical accuracy without relying on lectures or quizzes.

Key Features
- 17 playable eras spanning American history
- Action runner, "Platformer" gameplay mechanics
- Period-accurate visuals and historical events
- Artifact discovery and virtual museum-collection building system
- Multiple historical figure avatars
- Designed for educational and casual audiences

Pricing & Availability
- First 4 levels available free
- Full game unlocked via a single in-app purchase
- No subscriptions or recurring fees

Target Audience
- Middle school, high school, and college students
- Educators and classrooms
- History enthusiasts
- Casual gamers seeking educational content

About the Creator
Marc Schulman is a historian, educator, and software developer who has been creating digital history education tools since 1989. He founded MultiEducator, which evolved into HistoryCentral, one of the longest-running history education platforms on the web. Over more than three decades, he has authored and produced over 20 multimedia history titles across CD-ROMs, websites, and mobile apps. History Run is his first video game.
